

Letter from the President May 30, 2010

Let me first thank you all for coming to Buttonwillow! This was the largest turn out for the year. A big thanks goes out to the Honeywell crew that towed all the way in from Oklahoma. Thanks to the Great Northwest bunch as well. Last, I would like to also thank David Morrison aka "The Grid Nazi", Bob Ogden (NCK's Flagman), and the scoring crew for keeping the program rolling smooth all day. We also had a very special guest wandering around the pits and hanging out in the Superkarts area. It was none other than Wayne Rainey, a multi time Superbike champion.

We are now gearing up for the Road Race Grand Nationals. The event will be held at Buttonwillow from June 29th to July 2nd. With just under a month to go, lets start getting your entry forms sent in.

At the Road Race Grand Nationals we will again use the **SELF-TECH FORM** for Pre-Tech. I can't stress enough how important it is for you to understand **all** of the rules pertaining to the class or classes that you will enter. Remember that you **must** have your IKF rule book with you (IKF rule 106.1) in the pits.

At every Nationals that I have been to, it's always been the little things that will bite you. Tech will be extremely thorough.

MAXIMUM is just that. Don't go 1/8" over or even 1/16" over. You will get DQ'd!

Keep watching the web site as I will be posting a lot more information soon.

Remember: It's up to you to make NCK The Best Damn Road Race Club In The West!

Mark Morrison
NCK President
