

Letter From The President

June 29, 2011

Hello all,

The NCK BOD just had a meeting about our next race at Reno/Fernley on July 16th. A decision was made to reduce the entry fees for the next race! A single entry is \$150.00 and an All You Can Race (AYCR) is now \$225.00.

We were working on a Friday practice with the track, but that did not mature as planned. For those of you that normally come up on Fridays and spend the night at the track, you will have to find another spot to camp as there will be no gate guard and the track will be closed.

The track will open at 7am on Saturday. If the turn out is light, be prepared for some changes in the race day schedule. We will make practice longer and also make time for "Friends & Family" at the end of the day. This would be a great time to bring a new person to try out road racing. If you have a friend or buddy that would like to try road racing, have him/her sign up for Friends & Family at the end of the day. The cost is a driver's arm band (\$12.00) and he/she could get up to 45 min of track time. So come on up and enjoy a fun day of racing. The Registration site will open on June 28.

If you're a Superkart Fan, on July 8-9 the Superkarts will again be at Laguna Seca. This year, we have the current CIK/FIA European Champion (Gavin Bennett), the British Champion (Malcolm Crowe), and past Australian champions (Sam Zavaglia and Mike Wayne) coming. The Field is at 37 karts and growing. Come down and cheer on your NCK Drivers! This could be the only time we have so many of the world's best drivers gathered together. Whoever wins will truly be a world champion.

As always, it is up to you to make NCK "The Best Damn Road Race Club In The West"!
